# My 4-H Story

Your 4-H Story should be written in complete sentences.

What was your favorite part of 4-H this year?
What did you learn this year from 4-H?
What problems or challenges did you have?
How did what you learn in 4-H relate to other parts of your life?
How can you apply these life skills next year or in the future?
What are your plans and goals for the next 4-H year?

Your 4-H record book is an organized presentation of what you have learned and accomplished in 4-H.  
It is a useful tool for determining your own progress and personal growth.
