Roberts County 4-H Fashion Revue

4-H Fashion Revue Contest: A Great way to build Confidence and strengthen Personal Presentation skills!

The art of coordinating an outfit to fit your body, lifestyle, budget and wardrobe will help as you dress for a lifetime. The fashion revue contest provides 4-H youth an opportunity to develop interview and personal presentation skills through judge interaction. The shift to 4-H members introducing themselves will foster the growth and development of creating a strong first impression, using positive vocal qualities, maintaining eye contact, confidence, and poise. Strengthening these skills now will benefit members throughout their lifetime.

Fashion Revue garments can be entered as a fashion revue entry as well as a clothing exhibit and on display in the county booths. A public style show, the culminating event, showcases youth's creativity and style.

Why Participate? This Contest Builds Essential Life Skills!

- Beginners gain confidence by talking to judges about their clothing choices, whether purchased or constructed.
- Young models will understand appropriate styles, clothing care methods, and basic consumerism concepts with adult guidance.
- Juniors share clothing choices, purchased or constructed, with judges. There is a shift toward completing appropriate styles with accessories, as well as understanding their closet inventory.
- Seniors are seen as experts; they confidently present a well-coordinated and appropriately accessorized outfit, achieving an overall total look. Members know their closet inventory and make choices accordingly, considering garment care.

Roberts County 4-H Leaders Association Inc 4-H Affiliate of South Dakota has implemented the SDSU Extension Fashion Revue Contestant Packet

SDSU Extension 4-H Fashion Revue page, <https://extension.sdstate.edu/4-h-fashion-revue> provides the most up to date information for the Fashion Revue Contest.
